3. Approval of minutes from previous meeting

- Julie motioned to approve minutes from previous meeting, seconded by Kendra, all in favour

4. Staff Updates: *TBD (5-10 min)*

- Teacher Share: Jamie W.
 - Restarting Focus Fridays which connect to the SDP goal around Social Emotional Learning
 - Developing a bulletin board by the gym to bridge the gap around skills such as decision making, empathy, self-awareness.
 - Literacy
 - Meeting kids where they are at – diversity in learning.
 - Organized intervention groups, split kids so that they are working with like learners (flexible groupings).
 - Adds to community building as kids are working with different peer groups and teachers.
 - Kids are also learning to support each other within these times
 - Science
 - Team teaching
 - Developing computational thinking
 - Breaking things into small chunks which relates to social emotional learning. How can students back track and figure out where they went wrong?
 - Having students learn to break simple things down into simple steps
 - Building some capacity before jumping onto computers and learning to code
 - Leading to a possible Celebration of Learning in December
