Notice: Cancellation of all On-Site and Off-Site Activity

Dear Partner

The Alberta Teachers' Association (ATA) has voted to reject the agreement with the Teachers' Employer Bargaining Association (TEBA). This vote will allow teachers to begin strike action as of Monday, Oct. 6.

As a result, the Calgary Board of Education has directed all schools to cancel scheduled in-school and off-site activities with external partners from Oct. 6-31.2025. Depending on the duration of the labour action, this could be extended into November.

While labour action may be resolved sooner, cancelling these activities enables schools to focus first on the resumption of learning after teachers are back in schools. Once labour action has been resolved, we will contact you about resuming or rescheduling activities and, if applicable, financial reimbursement or adjustment.

Thank you for your understanding.
